A prayer experience that brings our human senses into play is experiential worship.

In this engaging type of prayer we take an active role in our encounter, communion and connection with God.

Entering the prayer room, one will find a variety of prayer stations, and may spend as much or as little time as necessary at each station. Move at your own pace sensing a connection to God, to His grace poured out on you through the Holy Spirit.

The Sacred Space Prayer Room provides an opportunity for each of us to grow in faith and to learn something new about ourselves and God.

It can be an experience that changes forever our perception of God and how God works in our lives.

Refresh your relationship with God in this sacred space by listening to Him speak to your heart, seeing His grace in the rich symbolism of our faith, and feeling God's comforting love within and without.

"...Come to me. Get away with me and you'll recover your life. I'll show you how to take a real rest. Walk with me and work with me—watch how I do it. Learn the unforced rhythms of grace. I won't lay anything heavy or ill-fitting on you. Keep company with me and you'll learn to live freely and lightly."

~ Matthew 11:28-3
