

Below is a prayer from Rev. John Brooks, AWF Director of Multicultural Ministries.

Father, our Lord and Savior Jesus the Christ! We give you thanks for Your blessings, Your grace, and Your mercy. God, we stand at Your throne with outstretched hands and open hearts, offering praise and honor to You.

Dear God, we need a revival in our land. I'm reminded of Your words in 2 Chronicles 7:14, "...if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land." (NKJV)

Our land is broken. There are forces at work that we are not powerful enough to fight. We need you to come boldly, Lord! We are broken. We need to be remolded, and recast, and made new. Please God, enable us to live into the instructions given in 2 Chronicles 7:14 so that we may receive Your promised healing in our land.

It is in the name of Jesus the Christ we pray. Amen!

Rev. John Brooks
