*Teaming with*  
**TANZANIA**

### HELP BUILD A CHURCH IN TANZANIA

Our mission project for Vacation Bible School is to raise money to help build a church in Tanzania! Fill this bag up with coins, dollars, checks and help us meet our goal. Children from churches all over our conference are joining together to build this church in Tanzania!

Together we can do it!

#### *Need ideas for raising money?*

Ask your parents, grandparents, friends, family, and neighbors. Have a bake sale or set up a lemonade stand. Host a swim-a-thon, jumprope-a-thon or anything-a-thon.

Be creative! Let's do this!
