## More Than Money: What Does It Look Like to Grow a Giver

MARCH 14 AT 11:00 AM

WITH CHRIS STOVALL & BRODERICK SANTIAGO

We want the people under our pastoral care to grow in their prayer life, understanding and love for the Word of God, ability and desire to tell others about Jesus, and in their service of the Kingdom's purposes. We also want them to grow in their giving and generosity as a spiritual discipline. What does that look like? How do we accomplish this beyond just asking people to give more? In this webinar, Chris and Broderick will share a method for growing givers that you can adapt and use in your congregation.
