

*"I enjoyed the coaches retreat. It was a way to fellowship with other coaches in a relaxed setting and was refreshing and reviving for my family. My girls had a ball!"*

*--Coach Kelley Garner*

*"This camp offered a rare opportunity for our family to spend quality, enriching and inspirational time together with other families. I enjoyed the relaxing 'me-time' with other coaches' wives, and the children were not forgotten—they did crafts, swimming and other sports. It was a life-changing retreat in that my husband, 18 year-old daughter and I all accepted Jesus Christ as Lord and Savior!"*

*--Judy Donaldson*

*"We were truly refreshed at this retreat! It was a relaxing down-time for us away from a usually busy lifestyle. We were truly blessed!"*

# Ready to Retreat, Restore, and Revive?

Dear Friends,

Since last year's event came to an end, I have been looking forward to what God will do again. We experienced His presence in a special way, and even witnessed a couple come to know the Lord right before our eyes.

Coaches and their families face challenges that only you understand. We face incredible pressure to "win" along with the other responsibilities each day brings. This camp is a place to come and gather with others in your same shoes, retreat, restore and revive in the off-season. Enjoy great food, fellowship and family time, along with spiritual renewal through worship, God's Word and small group huddle time – all at beautiful Blue Lake Camp in Andalusia, AL .

I will see you there!

In Christ,

*Jimmy Reeves*, Camp Director

## About Ken Smith

Ken graduated in 19\_\_ (it really doesn't matter) from Starkville High School in Mississippi, and holds degrees from Mississippi State University, Southern Baptist Theological Seminary, and Baylor University. He is married to Donnell, and they have two grown children and five grandchildren. Ken has been active in the Florida Baptist Convention, and has also served on the FCA's national board.

His ministry exists to encourage Christians in their journeys and to tell the story of Jesus in an exciting way! Ken has proclaimed a living Christ in conferences, rallies and in youth camps and men's events for more than 20 years. .

Still at it; Ken's desire is that every person he encounters will know Christ and be on a journey of faith that makes them a "living" Bible - a minister in their market place.

"...he has God given talents in communicating and motivating people... He served as my Chaplain for 8 years and that is when things really began to break out in FSU Football. You need to see, hear and read him!"
