HELP BUILD A CHURCH IN TANZANIA

Our mission project for Vacation Bible School is to raise money to build a church in Tanzania! Fill this cardboard brick up with coins, dollars, checks and help us meet our goal.

Need ideas for raising money?

Ask your parents, grandparents, friends, family, and neighbors. Have a bake sale or set up a lemonade stand. Host a swim-a-thon, jumprope-a-thon or anything-a-thon. Be creative! Let's do this!
